The fourth Option

Just copy your order
into our entry mask.

Direct from your
system into our
system.

4.

Fast and simple

You can import lists from sheets, e.g. Excel, into this field by copying (CTRL+C) and pasting (CTRL+V) the matching lines. You can also insert the spare parts manually. The shop will add the spare parts to your basket.

All parts which cannot be found will remain in this field.

Data structure: one part-no. per line plus quantity

Allowed separators: tab or semicolon

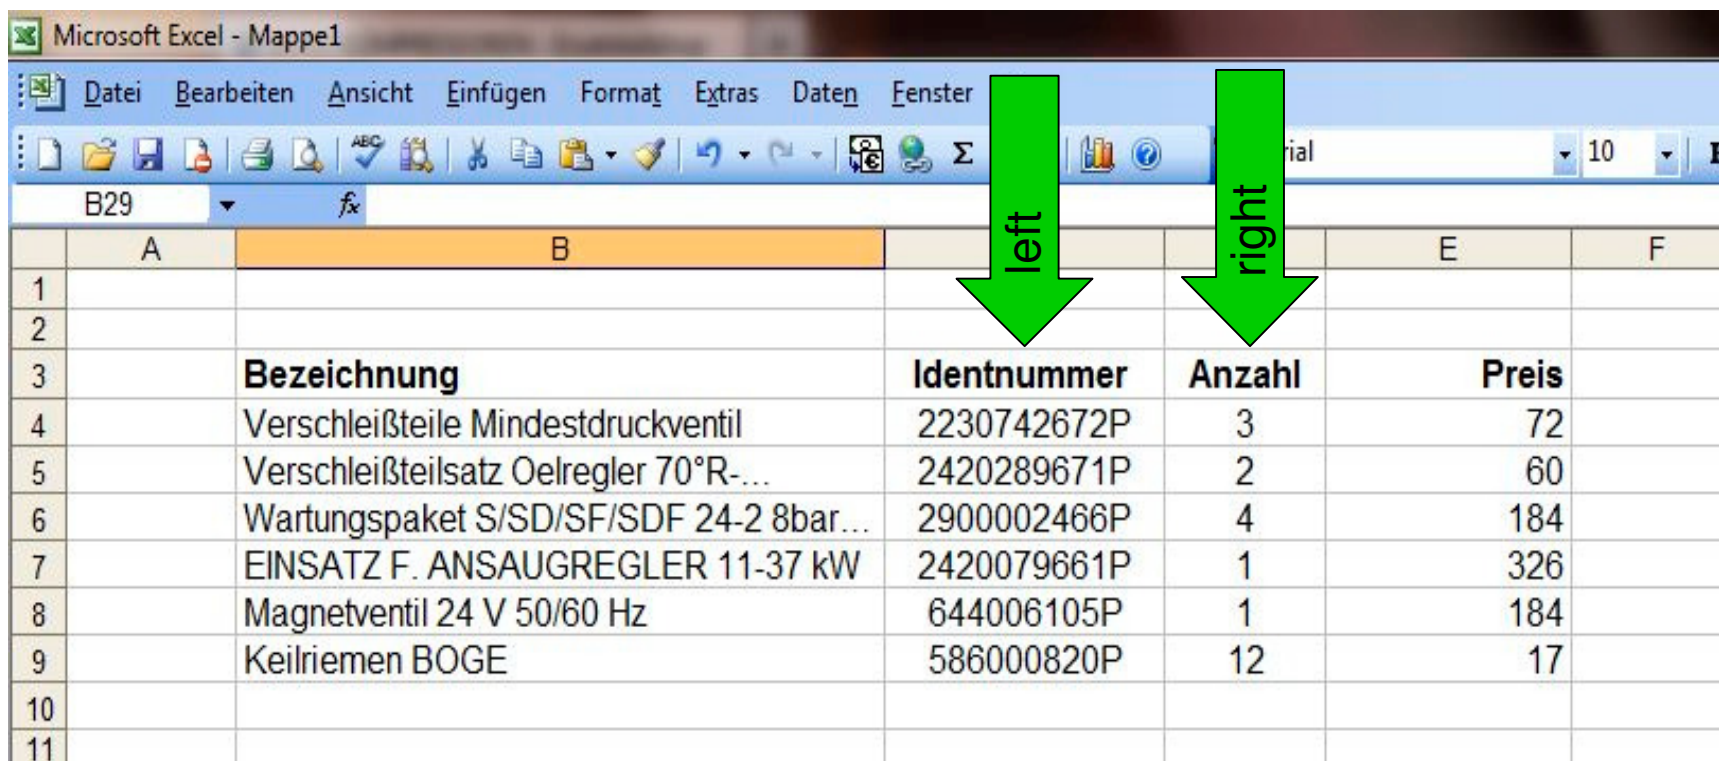

Example: 58600802P;3

Add to Basket

>>Ooo!<<

- **Create your order in your purchasing system and export it into Excel**
(You can copy / paste from any other system too)

BOGE Voucher System

Save with the BOGE Voucher System. When ordering online you will be emailed a discount code immediately after invoicing. You can add this code to your basket next time when you place an order for refund of the corresponding net value.

The following conditions are applicable to the BOGE Voucher System:

- Vouchers are not cashable but can be set off with your online order.
- Only one single voucher can be used per order.
- The validity of the voucher starts with the dispatch of the email and expires as stipulated in the email. Unredeemed vouchers will expire on the expiry date.

>>Ooo!<<

You have the opportunity to change the delivery address for this order as well.

If you have continuous orders to this address, you can save them by clicking on the address book.

If you return to the Shop the next time, the address can be reused again

After accepting our General Terms and Conditions and the conditions for Online Purchase you have the opportunity to check the box for complete delivery.

check = all items will be shipped out in one single shipment

no check = we will ship parts upon availability (partial shipments)

Conclude your order by clicking on „order“ !

The screenshot shows a light blue rectangular form. At the top, there is a checkbox labeled "I accept the General Terms and Conditions and conditions for Online Purchase." Below it is another checkbox labeled "Complete delivery. When box is not checked, a partial delivery is accepted." At the bottom of the form are three buttons: "back", "Order", and "Print". The "Order" button is highlighted with a red border. To the right of the form, a circular inset shows a zoomed-in view of the two checkboxes, both of which are checked with a blue checkmark.

>>Ooo!<<

You get a short confirmation that your order has been completed !

Vielen Dank für Ihren Auftrag!

Sie erhalten umgehend eine Bestätigung per Mail

[Neue Bestellung](#)

[BOGE Homepage](#)

Within the same day you get an email informing you about the BOGE Order no.

>>Ooo!<<

Please quote this Number to inquire at our sales Dept. concerning all questions about this order.

Within 1-2 days you will also receive the final order confirmation.

(Please make sure, that we know your email-address for this purpose)

After shipping you get your invoice with the BOGE shipping reference.

>>Ooo!<<

With BOGE reference number you can track your order at tracking.boge.com !
(Please make sure to enter the entire number!)

The screenshot shows a web browser window titled "UPS-Tracking". The main heading is "Sendungsstatus ermitteln" in blue. Below this is the UPS logo. A text prompt reads "Geben Sie hier Ihre BOGE Referenz-Nr. ein:". There is a text input field and a button labeled "Verfolgen". In the bottom right corner, there is a "Zurück" link with a left-pointing arrow.
